Project description:

“Support to law enforcement and security reforms in Armenia” is an action funded by the European Union under the European Neighbourhood Instrument of the EU Budget (EuropeAid/175690 /DD/ACT/AM).

The Action “Support to law enforcement and security reforms in Armenia” is designed to support Armenia in its Law Enforcement and Security reforms in line with priorities as identified by the CEPA and EU best practices.

The Action implementation phase started on 1st May 2023 and will run for a duration of 24 months until 30th April 2025.

The global objective of the Action is to support Armenia in its law enforcement and security reforms in line with priorities as identified by the CEPA and EU's best practices.

Expected results:

1. Establishment of a functioning and transparent new ministry;
2. Implementation of police reform strategies;
3. Modernization and migration and document issuing services.
