Project description:

The project aims to empower young people and engage them in their communities as active citizens. Also within the project we will empower youth CSOs to be sustainable organizations in future, after the project ends. The actions of the project include;

- Youth civic and democratic education through COMPASS tool
- Youth engagement in IMPACT, SKYE, Debate clubs
- Organisation of national and TV debates, also with decision makers
- Empowerment of Student councils in schools
- Promotion of at least two youth advocacy efforts in the education and employment sectors
- Organization of youth public speaking events
- Empowerment of 6 partner CSOs through institutional capacity building and sustainable income

Expected results:

Youth in targeted communities are capacitated to contribute to their community as socially active citizens
Empowered youth CSOs, who demonstrate participatory action in their communities
