Project description:
The "EU4Culture" is a project funded by the European Union, running from January 2021 to December 2024. It supports the cultural and creative sector with a special focus on non-capital cities and towns in the Eastern Partnership countries: Armenia, Azerbaijan, Belarus, Georgia, Republic of Moldova and Ukraine.

Expected results:
The project will:

- Support the development and implementation of local Cultural Development Strategies: up to three non-capital cities and towns in each partner country will receive €30,000 to develop a Cultural Development Strategy; one of those three will then receive up to €300,000 to implement its Strategy;
- Launch a grant scheme for local and regional festivals, cultural projects and cross-innovation projects.
- Organise a mobility scheme for artists and cultural professionals.
- Provide capacity building support to selected towns in the fields of Internationalisation, Cultural Enterprise and Management, and Cultural Indicators and Statistics.
