

More than € 89 Million

has been provided by the EU to address urgent humanitarian needs and to support the longer-term socio-economic integration of displaced Karabakh Armenians.

* With the EU contribution of EUR 8,220,000 to the "EU SME Competitiveness and Inclusion Programme in Armenia" in total EUR 44 000 000 was generated for protecting and restoring livelihoods of refugees and contributing to the resilience of host communities.

The support was delivered in the form of investment incentives to micro-, small- and medium-sized enterprises sub-borrowers, complemented by a Local Currency Interest Rate Subsidy grant and Technical Assistance.
